Dear Parents/Carers,

Welcome to Great Horwood School.

This prospectus has been prepared with parents in mind. It is intended to serve as an introduction to the wide variety of activities, which together form the education available at Great Horwood.

We are proud of the opportunities and facilities that we offer our pupils in this thriving and well ordered school.

We hope that by reading this you will gain an insight into the life and work of the school. The governors, parents/carers and a dedicated teaching staff work together for the benefit of our children.

This booklet, however, cannot tell you everything about the school, and it is only by seeing the school in action for yourself that you become aware of the purposeful way the children set about their tasks. Visits can be arranged by telephoning the Headteacher to arrange a convenient time.

Yours sincerely

Norman Ellison  
Chairman of the Governors

Lesley Whittaker
